Dear Mr. Smith,

I'd like to personally thank you for your outstanding support and kindness toward the Marines of Delta Company who are deployed to Iraq. Your thoughtfulness and appreciated gift of "goodies" has boosted the morale of the Marines who received them.

You have by your individual actions demonstrated the very best example of dedication to deployed Marines far from home. Your thoughtful support and generous gifts enabled the morale to improve toward Marines who continually sacrifice time away from loved ones back home. Your thoughts of the Marines while being deployed have made a strong and ever lasting impression on us all. You have simply said, "We are not forgotten."

As the Company Master Sergeant of Delta Company, I want to thank you for your strong dedication, initiative, and generous support for the Marines. I hope you continue to be caring and supportive toward other Marines being deployed away from home in your future.

Semper Fidelis,

Solomon J. Reed
